

ALUMNI HOMECOMING DINNER

Dear IBA Alumni

You must be aware that IBA has completed 60 years of grooming leaders and has entered into its seventh decade of intellectual exploration. To celebrate this journey of continued excellence, we have arranged a series of events interspersed throughout the year.

The celebrations will commence with the Alumni Homecoming Dinner on Saturday, March 21, 2015 at IBA Main Campus followed by a musical performance by Rahat Fateh Ali Khan. We have decided to turn this into a fund raising event with proceeds going towards the IBA Endowment Fund.

I would like you, your family, and your friends, to join us for the festivities for a nominal fee of Rs. 10,000/- per person as a small token of your love and affection for the IBA. For 2014 graduates, we have reduced the ticket price to Rs. 5,000/- per person.

We are also extending invitations to top-notch corporations which would serve as an opportunity for our graduates to interact and network with some of the accomplished names from the corporate world.

As most of you are associated with top companies in your respective industries, I would request you to convince your company in acquiring one of the sponsorship packages appended in the email. The IBA has a tax-exempt status that may prove beneficial to corporations.

Looking forward to rejoicing this momentous occasion with you and your loved ones.

Regards,

Dr. Ishrat Husain
