HBL ALUMNI REUNION

December 6, 2024: IBA Karachi was a hub of activity with HBL holding its HBL X IBA Alumni Mixer at the G&T Auditorium to connect alumni with the current students at their alma mater under the HBL University Alliance Program. The event brought together senior HBL leaders to connect with faculty and students at IBA Karachi as well as share information about relevant topics with the students.

The event opened with a welcome note by Mr. Faisal Lalani, Head Financial Institutions at HBL, who welcomed the attendees and shared his experience of being a student at IBA Karachi. He shared anecdotes about the discipline and can-do attitude that was fostered in his studies and how it helped transform him for a successful career. Dr. Abdullah Zafar Sheikh, Dean of the School of Business Studies, welcomed the alumni and students and spoke about the changes that have taken place over the years at IBA Karachi with improved academic and learning opportunities and the quality PhD faculty

currently teaching at IBA.

He welcomed the guests and asked for their continued engagement and support to help IBA students continue the legacy of excellence moving forward. Mr. Ali Habib, Chief Marketing & Communications Officer at HBL, addressed the audience sharing the progressive attitude at HBL to be the first in new technologies as well as catering to a burgeoning youth population. He stressed the importance of engaging youth where they are and the evolving role of social media and how it can help brands connect with their audience in a meaningful way.

The event included a session focused on Financial Literacy with an informative skit performed by IBA students on the importance of budgeting and managing finances. A panel discussion was also conducted with senior alumni from HBL where topics such as investing, building a saving mindset and future-proofing one's investments were discussed. The highlight of the event was a PSL focused quiz where a team of students competed with a team from HBL to win fun prizes.

The event exhibited HBL's commitment to engage with students and youth and lead the conversation on smart financial decisions.
