## STUDY & WORK IN GERMANY – SESSION BY SAIF IMRAN KHAN

We are delighted to share that our informative session with [Saif Khan](#), President of IBA Alumni Germany Chapter, was a great success! Held on Thursday, February 20th at the IBA Main Campus, the session provided valuable insights into academic opportunities, career prospects, and the essential steps for making a successful move abroad.

The engagement from the participants was truly remarkable. The attendees, especially the students, were enthusiastic, eager to learn, and asked insightful questions. Saif Khan addressed their queries in detail, offering firsthand knowledge and practical advice that resonated with everyone.

We appreciate everyone who joined us and made this session interactive and enriching. A special thank you to Saif Khan for sharing his expertise and guiding aspiring students toward international opportunities.

## IBA CLASS OF 1982 REUNION

On Friday, February 7th, the Class of 1982 reunited at the IBA Main Campus, returning to their alma mater after years to reconnect with batchmates and reminiscing about their university days.

This reunion was more than just a walk down memory lane—it was a celebration of their achievements, lifelong bonds, and remarkable generosity. The Class of 1982 has shown an unwavering commitment to giving back, making a lasting impact on future generations of IBA students. Their dedication has culminated in the completion of an endowment fund, ensuring that a deserving student will have the opportunity to study at IBA in perpetuity. Through this initiative, they are turning dreams into reality, and for that, we are truly grateful.

Special thanks to Tariq Anwar, who played a pivotal role in coordinating this meaningful gathering and supporting the endowment fund initiative.

The Class of 1982 continues to leave an indelible mark on IBA, shaping its future while strengthening the legacy of generosity and excellence.
