We are excited to announce the launch of the IBA Alumni Türkiye Chapter! This new chapter is designed to strengthen the bonds among our alumni in Türkiye, creating opportunities for collaboration, networking, and mutual support within our dynamic community.

The IBA Türkiye Chapter will provide a platform for alumni to exchange ideas, discover new professional opportunities, and engage in meaningful events. Whether you're looking to reconnect with old friends, broaden your network, or get involved in new initiatives, this chapter is here to support you.

Let's extend a warm welcome to our dedicated office bearers as they lead this new chapter on an exciting journey!

If you are currently based in Türkiye, please reach out to us so we can include you in the official IBA Alumni Türkiye Chapter group.

A Bold Step into the AI-Dominated Future: Dominique Rose Van-Winther's Transformative

Session

On December 4th, 2024, the IBA alumni and student community came together for an extraordinary session with [Dominique Rose Van-Winther](#), titled "**The Future Isn't AI-Driven; It's AI-Dominated.**" This captivating talk redefined what it means to lead in a world increasingly powered by artificial intelligence. Dominique's unapologetically bold approach challenged attendees to rethink their roles as leaders in an AI-dominated landscape. The session was packed with actionable strategies, thought-provoking insights, and practical demonstrations of AI tools that can transform everyday operations. From real-world applications to forecasting what leaders need to thrive in the future, the talk was anything but theoretical. Engagement levels were sky-high as **60+ participants** were not only inspired but also equipped with the knowledge to confidently harness AI's potential. The session encouraged fearless leadership and left everyone with a clear understanding of how to stay ahead in this rapidly evolving world. This informative and dynamic event was a resounding success, bringing together a diverse audience of alumni and students from around the globe. For those who joined, it was an opportunity to gain the tools and confidence needed to lead their organizations into the next frontier of innovation. Stay tuned for more groundbreaking sessions as we continue to empower our community with insights that matter!
