ISSUE 01 | 2025

# Celebrating Excellence and Leadership in Our Alumni Community

It is with immense pride and joy that I welcome you to the inaugural issue of “**The CEO Directory**” by the IBA Alumni Affairs & Resource Mobilization department—celebrating alumni who have risen as CEOs of multinational corporations, national enterprises, and pioneering startups. This publication is a tribute to the enduring spirit of leadership and innovation that has flourished within our community for over seventy years.

For more than seven decades, IBA has championed academic excellence and holistic growth, shaping over 22,000 graduates with not only world-class education but also transformative experiences that built their character, vision, and resolve. Our alumni now illuminate boardrooms, launch visionary ventures, and create lasting impact—proof of the power of our educational environment.

Within these pages, you will find remarkable alumni—each reflecting IBA’s commitment to ingenuity, resilience, and ethical leadership. Their success embodies our values: excellence, service, and a boundless curiosity that drives progress.

As we launch this magazine, I warmly invite all alumni to remain engaged with their university, share milestones, and contribute to this vibrant network. Your updates and insights will help future editions continue to spotlight the extraordinary paths forged by our graduates.

Thank you for your support and commitment. Together, we honor our past, shape our present, and inspire the future.

With warm regards and best wishes,

**Malahat Awan**

The background of the entire page is a dark red color. Overlaid on this is a complex, abstract network of thin, light red lines connecting various circular nodes of the same color. The nodes are scattered across the page, with a higher concentration in the lower half, creating a sense of interconnectedness and a modern, technological feel.
