# Strengthening the Partnership Between IBA and Its Alumni

The **IBA Alumni Karachi Chapter**, together with the **Alumni Affairs team**, recently met with members of IBA Karachi's management to discuss opportunities for strengthening collaboration in support of the Institute's long-term vision. The meeting reflects a shared commitment to fostering stronger connections between IBA and its alumni, while creating a more coordinated approach to alumni engagement.

Discussions focused on strengthening institutional collaboration, enhancing governance and operational alignment, and exploring sustainable frameworks that enable alumni-led initiatives to thrive. The exchange also highlighted the importance of building systems and processes that encourage greater alumni participation and support the continued growth of the IBA alumni network.

As alumni engagement continues to evolve, close collaboration between the Institute and its alumni leadership remains essential in developing initiatives that create lasting value for graduates, students, and the broader IBA community. Through ongoing dialogue and shared purpose, IBA and its alumni continue to work towards a more connected, engaged, and impactful alumni ecosystem.

## Builds Momentum with Career-Focused Session

### Featuring Mohammad Osama

On 25 July, the IBA Alumni Karachi Chapter brought alumni together for a career conversation with Mohammad Osama, centered on navigating today's evolving job market. Drawing on his experience, he shared practical perspectives on what recruiters across the GCC and international markets value, while engaging participants in an open discussion on career planning, professional growth, and emerging opportunities.

Hosted by the newly elected Karachi Chapter, the session marked one of its early initiatives to foster meaningful engagement within the local alumni community. The event reflects the Chapter's commitment to creating spaces where alumni can learn from one another, exchange experiences, and strengthen professional connections.

The Alumni Affairs team extends its appreciation to **Fahad Ali**, Alumni Representative on the Board of Governors, and the Karachi Chapter leadership for their efforts in organizing the session. As the Chapter continues to shape its engagement agenda, initiatives like these promise to further strengthen the IBA alumni network.
